

# Ceramic Painting Workshop

## Teacher Profile:

Italian renowned painter, Rossella Vasta has shown nationally and internationally. She has widely exhibited in many countries, among which we remind: Germany (Bochum Museum); USA (Chautauqua NY); Japan (Shiodome Italia and Institute of Italian Culture), Italy (Extra Moenia in Todi and Florence Biennial where in 2003 she got the first prize for painting). She is a skilled painter in ceramics, a medium she uses also for interesting art installation such as the “Table of Silence” ([www.tableofsilence.com](http://www.tableofsilence.com)) and “I CHING Labyrinth”. She got her Master-degree in Philosophy at the University of Perugia with a final dissertation on “*Visual Education to promote the creative personality*”. She is Jungian and believes in the power of imagination, she also believes art can have a strong impact on society playing the role of what she calls “Art sustainability”. Since 2000 she directs the Pieve International School.
